PRINCIPAL'S DESK

Dear Reader/Visitor,

Welcome to the family of Veda Samskruthi. At this prestigious institute we not only teach but we make them learn customs, rituals and traditions that ancient Indian knowledge system is known for its samskaras throughout the world.

This Sanskrit college is founded by Maha Raja Vijaya Rama Raju IV to make the Sanskrit the "Divine Language" that is accessible to all the people across South India and to promote Telugu as an oriental language the "Italian of the East"

Along with the Languages, this college offered Vedas and students across the country have visited this 1860 established college to learn Vedas, Sanskrit and Telugu. This college embarked NEP 2020 and promoting multilingualism and the power of language in teaching and learning; we also imparting Life skills such as communication, cooperation, teamwork and resilience.

We are moving ahead towards a more Holistic and Multidisciplinary Education by opting to introduce Data Science, Computer science and Journalism from next academic year on a convergence model to the extensive literatures of India combining subjects across fields.

As the Technology is the new equaliser. We are striving to ensure empowering our students through innovation and perhaps ours is the only oriental college that have registered under MHRD Innovation Cell (ICC/IC2022 16810) and registered as "Lingua Franca", the Language Incubator. Our students also participated in Smart India Hackathon (SIG) 2022 under titles Lingua Franca & Vedavani. The problem statement for Lingua Franca team is: "Perspective Parameter" and the problem statement for Vedavani team is "Developing Resilience"

With the support of all stakeholders especially both State and Central Governments we wish to make this once famous college into a centre of excellence for most coveted ancient Indian Languages and transform this into a Digital Campus.
