M.R.GOVERNMENT SANSKRIT COLLEGE VIZIANAGARAM

Vision: To become multi-disciplined and learner-oriental college.

PRINCIPAL'S DESK

-DR.P.ANIL KUMAR

Dear Reader/Visitor,

Welcome to the family of Veda Samskriti. As I earlier said, this prestigious institution is not only meant for teaching but making the students learn customs, rituals and traditions of ancient India. As we mentioned the vision of the college is to become multi disciplined and learner Oriental College which became a motto of each nerve of the college. In favour of this, we are introducing the new certificate courses and market oriented courses in the upcoming academic year. We are also expecting the abrupt rise in admissions of our college.

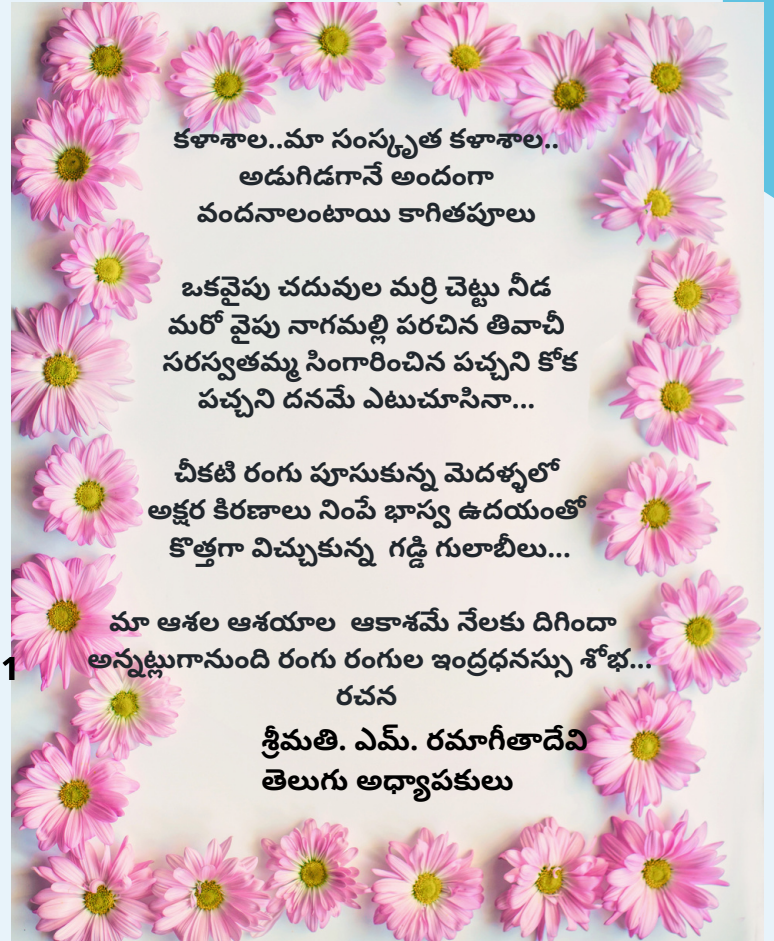

According to an old saying, "Actions speak louder than words", we could proudly present the numerous developments in the college during the short span of time. Aswell, our negotiation with the local leaders brought us allocation of funds which help us to accommodate the minimum amenities to the college. Literally, the Commissioner of Collegiate Education has come forward to flag off dispatching the Digital and Virtual classrooms for blending technology with this traditional oriental college.

As part of the Community Service Project, our students are expected to draw wonderful output from the experiential learning which obviously helps to elevate the personality development and compassion towards society among the students .
