VISION OF THE COLLEGE: Creating innovative connections among education, humanities, dance, music, the social sciences and technology

PRINCIPAL'S DESK

During the month of February, we grandly celebrated International Mother language day and National Science Day with the motto of associating tradition with technology. Our first batch of final B.A.O.L students who went through 2 months internship has been certified by Village-Mind software company limited. It would be in history that the students of language acquired internship certificates in MS Office. I feel very happier to invite all the parents of M.R. Government Sanskrit College and take their feedback on the academic and administrative progress of our college. As well I feel so happy about the revival of finishing school which allows students to extend their studies after completion of working hours in view of upcoming examinations. I feel surprised to watch the student's presentations on the occasion of Science Day. In addition, our staff members took the students to visit Andhra University on part of a field visit in order to evoke the student's enthusiasm and interest I feel very proud of conducting National level competitions in collaboration with the Institute innovation council of our college on 'Innovation and design thinking'. About 300 students got registered in this program for the competitions and so many have come forward to make presentations on the occasion of National Science Day. The Open Day program an initiative of the Commissionerate of Collegiate Education has been conducted in our college in order to get full-fledged admissions of intermediate students. Prior to that, our staff members visited nearby colleges around Vizianagaram and invited the staff and students to participate in the open-day program.

Dr. P. Anil Kumar
Principal ^{M Sc, M Phil, PhD}

17 FEB 2023

As per the proceedings of AP commissioner of Collegiate Education, 'Open day' a orientation program has to be conducted for intermediate students on 18 February 2022. On the open Day program all the gdc's have to arrange a visit to college library and laboratories and visit the computer lab and to visit the departments and arrangement of interaction among faculty and students Dr poweeswara Rao principle incharge has facilitated all the students coming from government junior College vijayanagaram explained the facilities available at our college and all the faculty and students attended this program and made it successful.

PROCEEDINGS OF THE COMMISSIONER OF COLLEGIATE EDUCATION AP::VIJAYAWADA Present: Sri Pola Bhaskar, IAS

Rc.No.1/CCE-Acad.Cell-Misc/AC-6/2022

Date: 01-02-2023.

Sub: Commissionerate of Collegiate Education -Measures to increase students' enrolment in GDCs- **Orientation** to Junior College Students and organization of 'Open Day' at all GDCs-Communication-Reg.

As you are aware, the Commissionerate of Collegiate Education has taken up many reformative steps to bring qualitative changes in Government Degree Colleges in the state. In continuation to the on going efforts to increase the students' enrolment in Govt. Degree Colleges, it is proposed to conduct orientation programme to Junior College Students and to organize an 'Open-Day' at all GDCs to facilitate an exposure visit for the final year students of Junior Colleges in the surrounding areas of Govt Degree Colleges.

In this Connection, all the Principals of GDCs are informed to follow the below given instructions and to conduct orientation programme and 'Open-Day'.

- Identifying the Junior Colleges in the vicinity of each Government Degree College and mapping of Students & faculty to Junior Colleges.
- To organize a student rally to the Junior Colleges in their vicinity (15/20 students as a batch depending on the strength of the college) along with the teaching staff on **15th February, 2023**.
- To display posters/distribute pamphlets to explain the available courses, infrastructure facilities, training and placement drives conducted, students/faculty achievements to orient the final year students
- To invite the students and faculty of Junior Colleges to visit Government Degree College on 'Open Day' i.e., on 18-02-2023, to acquaint themselves with facilities available at GDCs and the principals of GDCs are also informed to issue press notes well in advance with regard to 'Open-Day' to reach out more students.

On the 'Open- Day' i.e., on 18-02-2023 the GDCs have to facilitate the following for Junior College students and faculty:

- To visit the College Library and laboratories
- To visit to JKC centre and Computer Labs
- To visit departments and interaction with faculty and students
- Conduct practical sessions/ hands on job experience in laboratories which will be useful for inter practical exams.
- Science exhibitions /poster presentations.
- Collection of feedback from the students on their choice of courses.
- Any other activity/ event to showcase the potentiality of GDCs.

8 FEB 2022

Our students have successfully completed a short-term internship, proposed by the Department of Higher Education for 2 months from October 10, 2022, to Dec 10, 2022. Our college has been mapped to 'Village Minds' software company private limited to train our students in the M.S office. This is the revolutionary decision we took to send the students of language into the internship of technical field. Now the students can make their own presentations and Excel sheets.

CONDUCTED NATIONAL LEVEL COMPETITIONS ON INNOVATION AND DESIGN THINKING

On occasion of National Science Day, Institute Innovation Council of our college has conducted Online competitions at National - level on the theme of Innovation and thinking. Prof. K. Srinivas, NIEPA, Head ICT, Newdelhi and Dr. Parveen Kumar Sarma, Asst. Professor from Amity University of Tashkent have acted a Jury members. About 300 participants registered in the program.
