It is a matter of great pride that M.R. Government Sanskrit College, Vizianagaram, has been actively progressing in both academic and co-curricular domains. This year, our students have enthusiastically participated in the MENTOR allotment under CSP and completed short-term internships, enriching their practical knowledge. The Annual Day celebrations were held with great enthusiasm, reflecting the cultural vibrancy and unity of our college. We have also taken steps to familiarize students with national-level initiatives through the iGOT Karmayogi platform, promoting self-learning and skill enhancement.

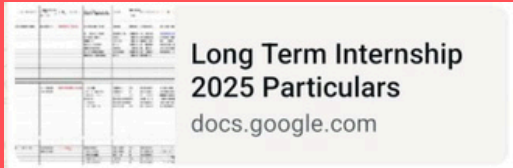

Our admission campaigning efforts have been successful in reaching out to aspiring students, ensuring better access to higher education. I sincerely appreciate the efforts of our faculty, staff, and students for their continued commitment and dedication to the growth of our institution.
