Principal's Desk

I am very happy to share that our college has been actively involved in several meaningful activities this month. We celebrated important occasions such as Independence Day with great patriotism, organized Telugu Bhasha Dinotsavam to honor our mother tongue, and hosted inspiring guest lectures that highlighted the value of Sanskrit and classical languages. With the support of well-wishers, free uniforms were also distributed to newly admitted students, which brought encouragement to many young learners.

These events not only enriched the academic environment but also strengthened the values of culture, discipline, and community service among our students. I sincerely thank all the faculty members, students, and well-wishers who made these programs successful. Let us continue to work together to uphold the dignity of our institution and to achieve greater heights in both education and character building.
