It gives me immense pleasure to share that M.R. Government Sanskrit College, Vizianagaram, celebrated National Teachers' Day and Gurajada Jayanti with great enthusiasm. On the occasion of Teachers' Day, faculty members were felicitated for their dedicated service, and students expressed their heartfelt gratitude. Gurajada Jayanti celebrations were organized to commemorate the birth anniversary of the eminent poet, playwright, and social reformer Sri Gurajada Apparao. The programme began with the garlanding of Gurajada's statue at Gurajada Swagruham.

It was a proud moment for the college as students—Sanjana (I PDC), Venkata Lakshmi, and Prasad (II PDC)—won prizes in the district-level Go Vigyana Pareeksha conducted under the Andhra Pradesh Go Vigyana Andolana, promoting awareness of the cultural, spiritual, and scientific significance of the cow in Indian tradition. As part of the SASA - Swarna Andhra Swachha Andhra (Green Andhra Initiative), a plantation programme was also conducted on campus, during which I planted several saplings and encouraged students to participate in environmental protection and green initiatives.
